

Seasonal plants are heavy feeders and are susceptible to a broad range of soil borne diseases. Treat and prevent these diseases while you fertilize!!

Fall Color Options

We have plenty of options for fall bedding plants.

- **Pansies** are a strong winter annual with large blooms, 6-8" tall.
- **Panola** is a cross between Pansy and Viola, also growing 6-8" tall
- **Viola**: low maintenance, fast bloomers
- **Snapdragons** bloom fall and spring. Tall and Dwarf varieties available.
- **Cabbage and Kale** are low maintenance
- **Dianthus** provide great height: 8-10" tall
- **Verbena** are a trailing ground cover
- **Columbine**— provides color in spring
Calendula, Erysimum, and Dusty Miller also available.
