Sit Back and Relax

At last, it is time to sit back, relax and enjoy the fruits of your labor. Enjoy this time in your yard, September will be another busy month for fertilizers and herbicides. In August, keep an eye on your watering. Check your irrigation to make sure your shrubs are being watered properly.

Stay on top of your weeds this month. It is almost time to reapply your pre-emergent herbicides. You can re-apply early if weeds are starting to appear.

Don't have time to water.....

TreeGator Jr. Pro is a low-profile slow release watering bag for new trees, shrubs and evergreens.

Place around the tree, fill and walk away! Watering slowly and thoroughly promotes deep root growth and reduces transplant shock.
